

## CS 1102 Unit 1 Programming Assignment Solution

Answer:

```
import javax.swing.JOptionPane;

public class SuperPower {

    public static void main(String[] args) {

        String power = JOptionPane.showInputDialog("What is your super power?");

        power = power.toUpperCase();

        JOptionPane.showMessageDialog(null, power+" TO THE RESCUE!");

    }

}
```
